BOOT RACKS

With the seasons changing and rainy weather ahead, we would like to remind all students and parents that all wet boots and shoes need to be placed on the boot racks provided for you in the front entrance. It is a fire and safety hazard to have the boots on the ground lining the hallway so we please ask that everyone follows this procedure. If your shoes are dry then you are welcome to bring them into the change room with your other belongings.

COMPETITIONS

- April 12-15 Hall of Fame @ The Conference Centre New York (Niagara Falls, NY)
- April 19 -22 TKO (London, On)

All competitive students need to check the schedule on the website and the front desk to confirm the times they are dancing. Please also check the bulletin board for any class cancellations and changes over the competition weekend.

*****It is also very important that all students arrive 2 hours ahead of their scheduled dance time. Any competitions being held in the United States, students must arrive 3 hours ahead of their scheduled dance time. Please make sure that all passports are up to date for your entry into the U.S for the HOF dance competition.*****

COMPETITIVE SUMMER DANCE INTENSIVES

The studio will begin accepting registrations for our summer dance intensive programs held at the Etobicoke studio beginning **MONDAY, APRIL 9th** and registrations can be done [online](#).

Expanding the Dance Floor intensive (ages 9+): August 13th to 16th.

This intensive covers a wide range of disciplines.

Ballet Intensive (ages 9+): August 20th to 23rd.

It is strongly recommended that all competitive and special training division students participate in at least one week of the SBAD summer dance intensive programs. This is an ideal way to start getting back into practice prior to September. It is also a good opportunity to "get noticed" by our choreographers planning their solo's, duets etc.
